**UNITED CHURCH OF CANADA COMMITTEE ON NOMINATIONS FONDS. –1967-1997. –25 cm of textual records.**

The Committee on Nominations was proposed by a study committee in 1968. The Committee was an attempt to expand the process of finding suitable candidates for the several committees and commissions appointed by the General Council, by inviting representatives of the Conferences and the Church at large to participate. The Committee was responsible for compiling biographical and other information on prospective candidates, and also for the appointment of members of the Judicial Committee and other standing committees of General Council. The Committee reports to the Executive of the General Council.

Series consists of minutes, 1976-1997; nominations to college boards and committees, 1980-1985; and correspondence and reports.

See also Office of the Moderator and General Secretary fonds 499 for records of the committee (especially 1982.002C).
