JUSTICE, GLOBAL AND ECUMENICAL RELATIONS UNIT FONDS. –2002-2013. –7.26 m of textual records. –1150 photographs. –audiovisual material.

The Justice, Global and Ecumenical Relations Unit was created after a massive unit reorganization in 2002. The Unit absorbed much of the work of the previous Division of Mission in Canada, and Division of World Outreach. The Unit had lead responsibility for justice initiatives, global partnerships, and ecumenical and interfaith relations. It offered leadership that strengthened the church's engagement in God's mission embodied in Jesus Christ of justice, peace, and care of creation, locally and globally, facilitating the sharing of resources with global, ecumenical, and interfaith partners. The work was divided into four major headings: global partnership, including global ecumenical and global mission personnel; justice, peace, and creation advocacy; inter-church/interfaith programs and the General Council Ecumenical Office, and education for engagement. The unit changed over time.

Under a 2010 unit reorganization, work of the Justice, Global and Ecumenical Relations unit was split up between the newly created Communities in Ministry, and Partners in Mission units. In 2013, the units reorganized again and most of the work came under the Church in Mission Unit.

Fonds consists of the following Series: 1) Administrative Records, 1991-2011; 2) Records Relating to Ecumenical, Interchurch and Interfaith Relations, 1978-2013; 3) Partners in Africa and Middle East, 1992-2012; 4) Partners in Asia, 1978-2012; 5) Partners in Caribbean and Latin America, 1983-2012; 6) Records Relating to People in Mission, 1970-2012; 7) Records Relating to People in Partnership, 1987-2015; 8) Records Relating to Education for Justice, 1992-2013; 9) Records Relating to Public Witness, 1981-2010; 10) Records Relating to Emergency Response, 2000-2009.

SERIES 2/RECORDS RELATING TO ECUMENICAL AND INTERCHURCH/INTERFAITH RELATIONS. –1978-2013.

Ecumenical Relations and Interchurch and Interfaith Relations had previously been a part of the Division of World Outreach, as well as the Division of Mission in Canada before the work was transferred to Justice, Global and Ecumenical Relations following a major unit reorganization in 2002. Ecumenism being at the heart of the United Church's identity and mission, the work of the JGER unit was grounded in a commitment to "whole world ecumenism" for the mending of the world. In addition to the three area portfolios (Asia/Pacific, Africa/Middle East and Caribbean/Latin America), the unit supported global ecumenical partnerships through many world-wide organizations, and especially the Canadian Council of Churches, KAIROS and the World Council of Churches. A primary focus of the ecumenical office was inter-church dialogue, especially Anglican-United Church, Roman-Catholic United Church, United-Church Muslim, Lutheran, Presbyterian, Christian Reformed Churches and included an Aboriginal Dialogue.

In 2013, the Justice, Global and Ecumenical Relations unit became a part of Church in Mission Unit.

Series consists of the following subseries; Records of Program Coordinators, 1999-2012; Records re Ecumenical Partnerships, 1978-2013.

See also records of ecumenical organizations in specific countries in series 3-5 of the JGER finding aid.

SERIES 3\PARTNERS IN AFRICA AND MIDDLE EAST. –1991-2015.

Work related to Africa was moved from the Division of World Outreach to the newly formed Justice, Global and Ecumenical Relations Unit after the major unit reorganization in 2002. Work in the Unit was overseen by Area Secretaries (2002-2004), then Program Coordinators (2005-2010). From 2002-2003, work related to Africa was divided into East & Central Africa and South Africa/Emergency Response. For 2004-2009, work was combined under the titles of East & Central Africa/The Middle East and South Africa/Emergency Response. From 2010 until the end of 2012, work related to Africa was part of the Partners in Mission Unit. The Africa and Middle East program was overseen by Program Coordinator, Wendy Gichuru.

In 2013, the Communities in Ministry and Partners in Mission units were merged to create Church in Mission. In the Church in Mission Unit, work related to Africa and Middle East was a part of Church in Partnership, the work divided up by Team Leaders and Program Coordinators.

Series includes some records of the Board of World Missions and Division of World Outreach unit as there was overlap between staff members as the units changed over time. See also Board of World Missions fonds 503, Division of World Outreach fonds 504, and Church in Mission fonds 553.

Series consists of the following subseries: Office Files, 1998-2013; Records re Partners in Africa, 1992-2015; Records re Partners in Middle East, 2003-2005; Records re Ecumenical Organizations and Partnerships, 1991-2012.

SERIES 3\Subseries 1: Office Files. –1998-2013.

Area Secretaries were Lee Holland (East & Central Africa, 2001-), Wendy Gichuru (East & Central Africa and the Middle East, 2003), Gary Kenny (South Africa, 2002-2003).

Program Coordinators were Wendy Gichuru (East & Central Africa, and the Middle East, 2004-2009), Gary Kenny (South Africa & Emergency Response, 2004-2009). In 2010 the Africa Desk joined the Partners in Mission Unit. The Program Coordinator was Wendy Gichuru (Africa and Middle East, 2010-2013).

Jay Scott, Nyambura Githaiga, Kimberly Bennett, Diane Mitchell, Josie Forcadilla were Administrative Support/Program Assistants.

SERIES 3\Subseries 3: Records re Partners in Middle East. -2003-2012.

The United Church of Canada's involvement with partnerships with the Middle East began in the Justice, Global and Ecumenical Relations Unit in 2003. Work in the Unit was overseen by Area Secretaries (2002-2004), then Program Coordinators (2005-2010). In 2003, work was coordinated by an Area Secretary for South Asia/Pacific Islands and Middle East. In 2004, the Middle East fell under the work of

the Area Secretary for East & Central Africa and The Middle East. From 2005-2009, work related to the Middle East was coordinated by a Program Coordinator for East & Central Africa and the Middle East.

From 2010 until the end of 2012, work related to the Middle East was part of the Partners in Mission Unit. The Africa and Middle East program was overseen by Program Coordinator, Wendy Gichuru.

In 2013, the Communities in Ministry and Partners in Mission units were merged to create Church in Mission. In the Church in Mission Unit, work related to Africa and Middle East was a part of Church in Partnership, the work divided up by Team Leaders and Program Coordinators.

SERIES 5/ PARTNERS IN CARIBBEAN AND LATIN AMERICA. –1983-2012.

Work relating to Caribbean and Latin America was absorbed by the Justice, Global and Ecumenical Relations Unit when it was created after a major unit reorganization in 2002. Work in the unit was overseen by Area Secretaries (2002-2004), and Program Coordinators (2005-2010). In 2010, the unit became a part of the Partners in Mission Unit, staffed by a Program Coordinator. In 2013, the Church in Mission Unit and the Caribbean/Latin America desk continued under that unit. Jim Hodgson was Area Secretary, 2002-2004, Program Coordinator, 2005-2013.

Series consists of the following subseries; Office Files, 1983-2012; Records relating to Partners in Caribbean and Latin America, 1986-2012; Records relating to Ecumenical Partnerships, 1989-2011.

Series may include some records of the Board of World Missions and Division of World Outreach unit as there was overlap between staff members as the units changed over time. See also Board of World Missions fonds 503, Division of World Outreach fonds 504, and Church in Mission fonds 553.

SERIES 5/ Subseries 1: Office Files.—1983-2012--.

Subseries consists of correspondence, reports and general records of the Caribbean and Latin America desk, and it's Area Secretary/Program Coordinator, Jim Hodgson.

Additional records of Secretaries re programs in specific countries may be included in subseries 2. As records were passed between staff members, the ownership of the records is often multiple secretaries/coordinators.

SERIES 6\RECORDS RELATING TO PEOPLE IN MISSION. -1970-2012.

The People in Mission cluster was created in 2005 following a reorganization of educational elements of the Justice, Global and Ecumenical Relations (JGER) Unit. It has its roots in the Division of World Outreach and then JGER's Education for Engagement cluster with a goal to engage the United Church and its congregations in global mission. This included Education and Exposure trips, Face to Face, Mission Trip leader training, Twinning, delegate travel to global opportunities, fostering relationships and receiving global partner delegates. It was administered by a Program Coordinator: Rivkah Unland, 2005-2007, then Pat Elson, 2007-2009. In late 2009 work was begun within the Justice, Global and Ecumenical Relations unit to better integrated global mission personnel work and people in mission. The work continued as People in Partnership, and Congregational Engagement.

Initially launched in 2005 as an initiative of the Bay of Quinte Conference to JGER the program sought to open a door for interested congregations and presbyteries who wanted to do more than financially support the Mission Service Fund. It represented an opportunity for people who would like to get more directly involved with mission and outreach both in Canada and around the world.

SERIES 6\Subseries 4: Records re Face to Face. –1995-2010.

Face to Face was developed out of a 1993 pilot project of the Mission Education Committee of DWO. The purpose was: to engage people in rural congregations directly with overseas partners; to provide an opportunity for congregations to explore the global nature of God's mission and to connect it to their own local mission issues; to enable congregations to learn about global partnership; to explore one way in which the gap in perception between congregations and DWO might be bridged. (UCC, DWO, AGM Oct.

1993). The program was for an overseas partner to spend approximately one week in a rural congregation, exploring mission issues with them in a wide variety of congregational and community activities. The partner would learn about the Canadian context and mission; the congregation will learn about the partner's context and mission. They would work together to define and transform mission.

SERIES 6\Subseries 6: Records re United for Peace. –2007-2010.

The United for Peace Campaign launched in 2007. The campaign was developed out of deep concern for the people of Israel and Palestine. The campaign's goal was to raise funds to support non-violent ways to seek peace with justice for the Israeli and Palestinian communities and the ethnic populations within their nations. The focus of the campaign was later broadened to reflect the UCC's fundamental commitment to peace and support for all who work toward a just peace in Canada and other parts of the worlds.

SERIES 8\RECORDS RELATING TO EDUCATION FOR JUSTICE. –1992-2013.

Work of the Education for Justice unit originated in the Education for Engagement unit of the Division of World Outreach. Work was transferred to the Justice, Global and Ecumenical Relations unit when it was created in 2002.

This unit worked in close co-operation with Conferences to support groups and individuals in congregations, presbyteries, and Conferences by providing information and justice education resources that enable involvement in and connection between global and local justice issues. Principal vehicles were Mandate magazine and the mission theme. It also enabled people-to-people links through programs like Face to Face and supported mission interpretation by overseas personnel in Conferences and exposures trips by United Church groups to partners overseas.

The Justice portfolio was a part of Refugees, Immigration and Justice from 2002-2005. During 2005, JGER reorganized the educational work within the unit to better coordinate and integrate education about Canadian and global social justice issues, as well as to provide further support for United church members wanting to directly engage with global partners. Two new portfolios, Education for Justice and People in Mission, were created, and Education for Engagement ended. This reorganization provided opportunity for increased educational initiatives like Water in Focus.

Series consists of the following subseries: Records re Global Education Development, 2002-2013; Records re Education for Engagement, 1992-2010; Records re Education for Justice, 1997-2011.

SERIES 9\RECORDS RELATING TO PUBLIC WITNESS. –1981-2010.

The Public Witness unit gave leadership in carrying out the collective witness of the General Council on federal and international issues that challenge our faith and practice as Disciples of Christ. When JGER unit was first created, the advocacy work was divided into different sections: Creation/Environment; Food Security and Internet Advocacy; Human Rights & Reconciliation; Refugee, Immigration, Justice and Economic Justice. Under a reorganization in 2005 these titles shifted slightly to Energy and the Environment; Race Relations, Refugee and Immigration Advocacy; Human Rights & Peace; Economic Justice & Social Wellbeing and the Education for Justice cluster was created. In 2006, Ecological Justice was added. In 2007, the cluster became known as Public Witness.

Advocacy included work on climate change, human rights (especially Aboriginal rights), as well as lesbian and gay issues, the rights of vulnerable people in large-scale conflicts, energy, water, gender justice, racial justice, health care, refugee issues, and housing. In keeping with the church's commitment to work ecumenically and with other faith communities and people of conscience, many of the United Church's social justice advocacy initiatives were carried out in partnership with the Canadian Council of Churches, KAIROS: Canadian Ecumenical Justice Initiatives, Project Ploughshares and the Canadian Council for International Cooperation.

Series consists of the following subseries: Records of Program Coordinators, 1993-2010; Records re Food Security and Internet Advocacy, 1981-2005; Records Relating to Poverty, Wealth and Ecological Justice, 1982-2013; Records Relating to Refugees, Immigration and Justice, 1981-2007; Records relating to Human Rights and Reconciliation, 1986-2007; Records Relating to Creation, Energy & Environment, 1988-2006.

See also JGER fonds 552, Series 8 for Gender Justice, Racial Justice, and general Education for Justice files. Public Witness work had been a part of the Division of Mission in Canada, see also fonds 512 Division of Mission in Canada for related and overlapping records.

Refugee case files may only be accessed by United Church staff and the person to whom the file pertains.

SERIES 9\Subseries 3: Records Relating to Poverty, Wealth and Ecological Justice. –1982-2013.

The Economic Justice portfolio was to promote more just economies and sustainable communities by advocating for government policies, educational programs for congregations, supporting partner initiatives on trade, debt, and development, all to help the United Church and others move in the direction of community and economic healing for which we long.

The Ecological Justice portfolio was to witness, educate leadership, and work to overcome systemic eco-injustice, foster care of creation, address climate and water crises, and nurture ecologically sustainable communities with Canadian global partners.

Subseries consists of records of Jim Marshall (Program Coordinator: Ecological Justice, 2002-2004; Ecological Justice and Social Well Being, 2005-2006), 2002-2011; and Joy Kennedy ((Program Coordinator: Ecological Justice, 2006; Poverty, Wealth, Ecological Justice, 2007-2010), 1982-2013.

See also Division of Mission in Canada fonds 512 Series 8 and 9 for overlapping or earlier records related to these topics.

SERIES 10\RECORDS RELATING TO EMERGENCY RESPONSE. -2000-2011.

Under the major reorganization of 2002, work related to Emergency Response was moved to the Justice, Global and Ecumenical Relations Unit from the Division of World Outreach. Work in the Unit was overseen by Area Secretaries (2002-2004), then Program Coordinators (2005-2010). Work related to Emergency Response fell under many different titles and was divided up many times between different Program Coordinators. From 2002-2004, work was overseen by a Secretary, Global Development: Emergency Response. For 2005-2009, work was combined under the titles of South Africa/Emergency Response. From 2010 until the end of 2012, work related to Emergency Response became a part of the newly created Partners in Mission Unit. It was then overseen by a Program Coordinator for Emergency Response Development. Gary Kenny was the Program Coordinator for Emergency Response from 2005-2013.

In 2013, the Communities in Ministry and Partners in Mission units were merged to create the Church in Mission Unit. In the Church in Mission Unit, work related to Emergency Response became a part of Church in Partnership, with a Program Coordinator for Emergency Response and International Development.

Series consists of the following subseries; Office Files, 2000-2009; Emergency Response by Area, 2001-2011.

From 1972-2002 , the Division of World Outreach administered all work related to Emergency Response. See also Division of World Outreach Fonds 504 for earlier or overlapping records relating to Emergency Response. This series includes some records of Division of World Outreach staff members which were passed onto JGER as part of the reorganization.
