 the Town of Sudbury and the territory
 through which such road would run, would
 be greatly benefited by its construction.

Therefore be it resolved that this Council
 heartily approves of the said application
 and hopes that it will be granted by
 the Provincial Legislature.

Be it further resolved that a copy of the
 resolution be forwarded by the Clerk of the
 Council to the Chairman of the Private

Mayor explained the object of the
Meeting.

1 O'Connor - Gill

Whereas it is proposed to construct
a line of railway from Toronto via Parry
Sound running northward therefrom
through the Town of Sudbury and onward
in a northerly direction to a possible
connection with the proposed Grand
Trunk Pacific Railway;

And Whereas such a line would run
through a Country admirably suited
for Agricultural Settlement and of
known value for Iron and other
valuable Minerals and also vast
timber areas;

And Whereas it would be of great
and incalculable value to the Town
of Sudbury and surrounding Country
that such line of Railway should be
constructed as soon as possible,

Be it therefore resolved by the
Council of the Town of Sudbury in
Special Meeting assembled; that
this Council strongly urge the
Dominion Government to grant
the usual aid by way of bonus
or otherwise to those parties.

Secd by Councillor A. B. Beath

That whereas the James Bay Railway
Company received a Cash subsidy
of \$3,200/- dollars per mile from
the Dominion Government in aid
of the construction of that portion
of its line of Railway between
Toronto and Sudbury;
And whereas the immediate
construction of this Railway

is of the utmost importance
to the territory which it will serve.

Be it resolved that the Council
of the Town of Sudbury in special
meeting assembled do endorse
the application of the James Bay Railway
Company to the Legislative
Assembly of the Province of Ontario
for a grant in aid of the
Construction of said Railway
from Toronto to Sudbury
as being in the general interests
of Sudbury and this Northern
Country and tending to open
a large and valuable portion
of the Province to Settlement

Report of the Fire, Water & Light Committee.

To the Mayor & Council
Town of Sudbury.

Gentlemen:—

The fire water & light Committee
as per instructions at last meeting have
had tenders posted calling for tenders for
Electric light poles which tenders will be
submitted to you at this meeting.

We have also interviewed Mr. Martindale
with reference to repairs for pumps and we
beg to advise that Mr. Cochrane who has been
communicating with the Northey Pump people
can furnish the desired pieces and we would
recommend the purchase of same at once.

We also beg to report that since last

Council Meeting we undertook to have water service pipe into the Gill-Mulligan Block opened up which was frozen upon the street and to a greater extent than we had any idea of however we felt as we had started the job and expected almost any moment to locate the frozen spot your committee have unfortunately expended more money than we had hoped to and without much success until we had our electrician thaw pipe out by our electric current. This method was very successful but we find that it will be impossible to use this method everywhere for the simple reason that we have not got the Transformers or appliances perfected for such work and we would like this Council to express opinion and desire upon this method.

We find only 117¹/₂ cords of wood has been delivered so far and we think if possible we should get a few hundred cords more. All of which is hereby submitted.

L. O'Connor Chairman
 J. H. Beath
 John Frawley.

3. O'Connor - Beath.

That report of Fire, water and light be accepted with the exemption of advisability of the purchase of more wood.

Carried.

4. Frawley - Munnis.

That the Chairman of the Finance Committee interview J. H. Clary, Town Solicitor, regarding the Town claim against the Spanish River pulp Coy for care of small-pox patients and if he cannot act on behalf of the Town then he is to employ a solicitor to do so.

Report of Finance Committee.

To the Mayor and Council: —

The Finance Committee beg leave to report as follows: —

The special auditors, Messrs. Fowler & [unclear] appointed to make a statement of Finances to March 31st 04, report a balance in Treasurer's hands on that date of 30 cts.

The Committee find that moneys were not as promptly banked as they should have been, and that the Town suffered a loss thereby of \$ 26 $\frac{47}{100}$ Dollars in interest, which should be charged to the Treasurer.

They recommend that the Treasurer present at each regular meeting a statement of all arrears for electric light and water.

That deposits be made in the Bank every day at 10 a. m. of previous days receipts.

That Cash Book be entered up at once, and regular entries made every day.

That a certified account be given every month of total receipts.

That the regular office hours be from 10 a. m. to 4 p. m.

All of which is respectfully submitted.

Special Meeting for General transaction

the 15th day of September A.D. 1904
at the Call of the Mayor

Present His Worship Mayor, F. F. Leimura
and Councillors. Orr, Beath, Munro
Grawley & Connor.

Report of W. W. Skell, P. L. S. on work
done on John Street.

Sudbury, September 6th 1904
Council of Town of Sudbury

Gentlemen.

In accordance with In-
structions from the Chairman of the Roads
Streets & Bridges Committee of Sept 3rd 1904
I submit herewith a profile of
John Street Road as found by me
Sept 5th 1904.

I have made an examination
of John Street and find that the present
Grade of the street does not agree with
the plan & profile submitted with the
specifications when the contract was let.
The profile herewith submitted shows
the differences between what was intended
and what is found on the ground.

I find that part of the road which
was to be graded, is not in accor-
dance with specifications. The general
width of the Top of Road is good, but
the ditches are only on an average of
22 feet centres instead of 24 feet and

The side slopes of ditches are not in accordance with section shewn of plan. The depth of ditches is not in accordance with specifications also.

The Culverts are covered with two layers of 2ⁱⁿ planks instead of cedars 8ⁱⁿ planks.

The main fill at present has a width of top on an average 18 feet. The side slopes are good, but the grade is on an average of about 2' 6" low for a distance of 200 feet. The main fill was certainly not up to grade when the Contractor started to widen out his fill. With the present width of top and side slopes the road could be finished to Contract by adding the enough earth on top to bring up to grade. (Done on sides)

I have marked on the profile the amount at each fifty feet on the main fill that the present road is below the grade intended.

All of which is respectfully submitted.

Signed "W^m Walter Skell
C. E.

Notice from Messrs Mulligan & Meldrum solicitors for Mr Joseph Marier. Claiming \$18.00 for damages - sustained by driving into hole dug to remove telephone post at a point nearly opposite the White house on Elm Street. to make room for side walk. read by the Clerk. -

Council instructed the Clerk. after discussion. to notify Messrs Mulligan and

and Meldrum solicitor for Joseph Main
that the Council cannot entertain the
Claim -

Mr J. A. Mulligan, appeared before
the Council on behalf of Mr Louis Lafont
& Co re work on John Street -
asking the Council to accept the work
west of the Main fill as satisfactory
and offering to allow a certain amount
for the grade of main fill being below
the grade line and asking Council to
pass a resolution confirming the action
of individual members of the Council in
authorizing the contractor L Lafont & Co
to widen the dump of the Main fill. -

After discussion the Council
did not take further action for the
reason that the Contractor had not
reached the grade level, although he claimed
he had done his work, when he was
authorized to go to work and widen the
said dump. -

That a hearty vote of thanks be rendered to our worthy Mayor for the able manner ~~with~~ which he has conducted the proceedings of this Council during the year. The time he has devoted to the work pertaining to his office, and the trouble he has put himself to, in order to carry on the works of improvements undertaken during the summer to enlarge the systems of Waterworks ~~and~~ Sewer and Electric Light, has already received the recognition of the electors of the town who have returned him by acclamation. But this Council particularly desire to pass this motion - so as to have their sincere thanks on record -
