Dear sister,

I cannot say
much so do not be
disappointed. Willie & I
are still together but are
apt to be separated.
However we shall try to
stay together as long as
possible. The weather is
fine & crops are looking
good. Expect to leave
our present encampment
in few days. Best wishes &

2.

Walter is still in Eng.
We had a fine trip across
channel. Beautiful scenery
around here. Wish you could
be here with us for short time
Received a few souvenirs
from German prisoners
captured by 3rd Can. Batt - a
winny ridge. How did you
make out with your teams,
Hope you get good position.
How is everything at home.
Did father receive my
fountain pen & two rings.
Wish I could talk French. Two
more months & my Birthday. Wish
I could be where I was last
year on that date.

we will soon have to retire we
go to bed about 9 P.M. & get
up at 5³⁰ & 6 a.m. Kindly
remember us to all. will
write again.

Your loving Bro.
Sheldon.

P.S. Have you heard from
Louise lately. How is she.
Have you been up to see
her yet or has she been
down town?
