Dear Cousin:

Just a few
lines to let you know we
arrived home safe, and
sound, and found every
thing all O.K.

I am sending you some
yarn to foot Jacobs stockings,
I am very sorry I didn't
bring the leg, as I would
liked to have footed them
for him.

We are nearly snowed
under here, has snowed
every day since I came
home, if one gets off the road
it takes you to the waist.

11

my cow isn't in cyst but
I expect her any day.

I have four ~~or~~ milking
now, that is strippers, and
make about six lbs a week.

Have you heard from
Willie lately? Is he getting
better?

Do you remember Gladys
Egan? She got married to
John Dunlop last Wednesday,
they were married by the
English Church preacher, in
Little Current.

How is Gladys getting
along with her school?

111

Lane still limping yet,
and Andrew has a
terrible time with his toe
it takes him all his
time doctoring his own and
Grandpa's.

Andrew was down to
see Father, and was pretty
well.

Well I must close.

Your loving cousin

Mary & Andrew.

P.S. Mary Heis has left Leno's
so I didn't see her.
